

Consent Form

on the collection, storage and processing of personal data in connection with an online examination.

Full name: _____

E-mail: _____

Degree course: _____

Module	Examiner	Date

I hereby consent to an online examination being conducted. I also consent to the transmission of video and audio data during the online examination for electronic examination monitoring without these data being recorded and grant my corresponding authorisation to the examination monitoring. I have been informed that I may be asked to pan the camera in all directions both before and during the examination. I give my full consent to my personal data being entered into the online examination system for the processing and storage of the examination data and being disclosed to the examiner for conducting the examination, confirming the examination data at a later point in time and for verifiability purposes.

I hereby confirm that during the examination, nobody else will be in the room with me and I will not use any prohibited aids or resources. I am aware that I will no longer be able to refer to the examination format deviating from the Examination Regulations within the scope of any appeal against the assessment of my examination performance. I hereby confirm that I have been given ample opportunity to get to know the electronic examination system before the examination. I am also aware that the examination will be aborted and a new examination date will be arranged if the technical connection cannot be established on all sides or an interruption due to technical reasons cannot be resolved at short notice within a few minutes. If severe technical disturbances occur, I therefore consent to having to repeat parts of or the entire examination.

My participation in the collection of data and my consent to the use of the data as described above are **voluntary**. I can withdraw my consent from the Hochschule Nordhausen – University of Applied Sciences, Weinberg 4, 99734 Nordhausen, Germany, at any time. This shall not, however, affect the legality of the processing of data that has occurred based on the consent granted up until this consent is withdrawn. The refusal to grant consent or withdrawal of consent will not cause me to suffer any disadvantages. I have the right to information on and the rectification, blocking, erasure and restriction of processing of my personal data, as well as the right to object to the further processing of my personal data.

You can find more information in our Privacy Policy at:
